

Carnival Creates Christmas Fun

December 18, 2015

Carnival Cruise Line created a special holiday event at the weekend, hosting its annual Christmas celebration for the CREATE Foundation onboard Carnival Legend.

For the past three years, Carnival Cruise Line's shoreside and onboard teams have joined forces to put on a Christmas fun day for the foster families represented by CREATE.

During this year's festivities, the children and their carers were treated to lunch and an afternoon of fun in Carnival Legend's top deck Carnival WaterWorks water park – not to mention a visit from Santa, who arrived bearing gifts for all.

A national organisation, CREATE represents children who have no choice other than to live in foster care due to family circumstances or have experienced some other form of out-of-home care.
