The ships offer key elements that set the line apart: spacious, thoughtfully appointed suites, most with verandas; superb dining in a choice of venues; open bars throughout the ship; fine wines poured at lunch and dinner; award-winning personalized service and a relaxed, sociable atmosphere. At 32,000 tons and carrying just 458 guests each, the ships provide one of the highest ratios of space per guest in the industry and unmatched levels of personalized service from nearly one staff member per guest.
