

## **Carnival Corporation Statement on Updates to Cuba Policy**

June 15, 2017

MIAMI, June 15, 2017 /PRNewswire/ -- [Carnival Corporation](#) (NYSE/LSE: CCL; NYSE: CUK) is pleased that the policy changes announced by the Trump administration will allow our ships to continue to sail to Cuba. We will review the extent of the tightening of the travel rules, but our guests have already been traveling under the 12 approved forms of travel to Cuba since we undertook our historic first cruise to Cuba more than a year ago.

Our experience in Cuba this past year has been extremely positive. We look forward to the new cruises being planned for Cuba with Carnival Cruise Line and Holland America Line. We also have requested approval for our other brands to travel to Cuba.

Travel brings people and cultures together, so we are excited about the upcoming cruises to Cuba for our guests.

### **About Carnival Corporation & plc**

Carnival Corporation & plc is the world's largest leisure travel company and among the most profitable and financially strong in the cruise and vacation industries, with a portfolio of 10 dynamic brands that include nine of the world's leading cruise lines. With operations in North America, Europe, Australia and Asia, its portfolio features Carnival Cruise Line, Holland America Line, Princess Cruises, Seabourn, AIDA Cruises, Costa Cruises, Cunard, P&O Cruises (Australia) and P&O Cruises (UK), as well as Fathom, the corporation's immersion and enrichment experience brand.

Together, the corporation's cruise lines operate 103 ships with 231,000 lower berths visiting over 700 ports around the world, with 17 new ships scheduled to be delivered between 2018 and 2022. Carnival Corporation & plc also operates Holland America Princess Alaska Tours, the leading tour company in Alaska and the Canadian Yukon. Traded on both the New York and London Stock Exchanges, Carnival Corporation & plc is the only group in the world to be included in both the S&P 500 and the FTSE 100 indices.

In 2017, Fast Company recognized Carnival Corporation as being among the "Top 10 Most Innovative Companies" in both the design and travel categories. Fast Company specifically recognized Carnival Corporation for its work in developing Ocean Medallion™, a high-tech wearable device that enables the world's first interactive guest experience platform capable of transforming vacation travel into a highly personalized and elevated level of customized service.
