August 3, 2017

MIAMI, Aug. 3, 2017 /PRNewswire/ -- Multi-platinum and Grammy-nominated recording artist and award-winning songwriter Nick Jonas is the latest addition to the popular [Carnival LIVE Concert Series](#), performing aboard Carnival Victory and Carnival Liberty this fall while the ships are docked in [Nassau](#).

Carnival LIVE is a one-of-a-kind entertainment experience that brings the best in live music and comedy to the seas, providing guests an opportunity to enjoy captivating performances by top artists at an incredible value. Performances are held in the ships' main show lounges – which range in capacity from 900 to 1,300 – meaning there's never a bad seat in the house.

A recipient of the Songwriters Hall of Fame's prestigious Hal David Starlight Award, Jonas will have guests singing and dancing in the aisles with two high energy shipboard concerts – one aboard [Carnival Liberty](#) on November 17 and the other aboard on [Carnival Victory](#) November 18.

"This will be my first time performing on a cruise ship, which I'm really excited about because it's so different than any other venue. I'm looking forward to seeing and performing for my fans that will be there."

Jonas released his self-titled, critically acclaimed debut album in November 2014 that included the double-platinum and No. 1 U.S. radio hit, "Jealous" and his sultry chart-climbing radio single, "Chains." Jonas released his sophomore solo album "Last Year Was Complicated" in June 2016 featuring the platinum hit "Close" featuring Tove Lo that debuted as the No. 1 selling album of the week.

Carnival LIVE tickets for Nick Jonas are \$75 for general admission, significantly less than land-based venues. VIP tickets are available for \$250 and include seating in the first few rows, a photo opportunity with the artist and a commemorative concert pass.

Additional Carnival LIVE acts are expected to be announced in the coming months.
