A new attraction on board AIDAdiva is the restaurant "Almhütte". With delicacies from the Alpine region and various beer specialties, there is plenty of fun to be had here in a cozy hut atmosphere.

Wellness lovers can look forward to another novelty at the Body & Soul Spa: The entire wellness oasis has been expanded to include a spacious outdoor area where guests can relax and unwind with a view of the sea. In addition, the fitness equipment has been replaced by the latest generation of equipment and the cyberobics workouts with international star trainers make the hearts of fitness fans beat faster.

With AIDAdiva, AIDA Cruises is offering voyages to Norway and Denmark as well as cruises to Baltic Sea metropolises such as Stockholm and Copenhagen from Warnemünde until October.
