Guests on this circumnavigation of the land Down Under will experience the vibrant Great Barrier Reef, natural wonders of Hawaii and the South Pacific, and lush landscapes of New Zealand — all without international air travel from the United States or with a convenient flight from Canada.

"Australia continues to be a sought-after cruising destination, and by offering it as a Grand Voyage we're able to take our time and feature other beautiful locales like the islands of the South Pacific, New Zealand and the Great Barrier Reef," said Beth Bodenstener, chief commercial officer of Holland America Line. "It's been more than 10 years since we've offered this Grand Voyage itinerary, and we listened to our guests who requested that we bring it back.
