

P&O Cruises announces multi-million pound investment in Arcadia and Aurora

March 28, 2023

P&O Cruises has today announced that it will be updating guest areas on its adults only ships, Arcadia and Aurora.

The changes, which are due to be completed by May 2023, will include new balcony furniture, new chairs in cabins, as well as new furniture on the ship's open deck areas. On Arcadia, the Neptune Pool will also see considerable investment with new lounge chairs, sofas, tables and armchairs. Arcadia's wider refit will take place in November 2024 and Aurora's is scheduled for April 2025.

P&O Cruises president Paul Ludlow said: "Arcadia and Aurora are two of our most beloved ships in the fleet offering guests a more intimate experience in stylish surroundings. After a busy season hosting guests on longer duration itineraries and world cruises, we will be making sure that both ships look their absolute finest ahead of the summer season."
